Hi Mark,

Please contact the lab directly to get copies of my notes and anything else you would need. If there is a second chemist on the cert they would be able to testify for me if you need them too.

Thanks, Kate

Subject: jury trial

Hi Kate,

I just wanted to confirm your availability for a jury trial at West Roxbury District Court on 9/10/09.

The defendant is an another and the drug certs are Since the court house is just a short distance away from the lab would it be more convenient for you to be on call? We would telephone you with an estimate of a time to testify rather than have you hang around the court all morning.

I look forward to meeting with you.

regards
